PHONE: (704) 233-5637

CASE COORDINATORS: Sarah Talbot/Gale Coor

REASON FOR REFERRAL: To assist in educational planning.

PARENTS' CONCERNS: Overall developmental status.

EVALUATION RESULTS

BEHAVIORAL: Matthew presented as a pleasant little boy who tolerated the session well. He accepted various toys and objects, vocalized and showed preferences for some textures and items versus others.

SOCIAL WORK: (Examiner - Sylvia Wagoner, ACSW, CCSW)
Matthew is the youngest of three children residing with both parents. Two older siblings reside outside the home. He is generally a happy little boy who likes toys/objects, which make noise. When he is upset, he has a specific cry and he enjoys being held by his mother. His family has accessed a number of services and seems to be very aware/knowledgeable of his medical and developmental needs.

RECOMMENDATIONS:

1. Continue Parent Support Resources to include: PACT, Exceptional Children's Assistance Center at 1-800-962-6817, www.ecac-parentcenter.org, Family Support Network of North Carolina at 1-800-852-0042, Family Support Network of Southern Piedmont at 788-1616.
