Dear Matthew,

Thank you for your nice letter and invitation to visit. I am delighted that you studied Teddy Roosevelt last year and learned how he overcame the poor health of his childhood.

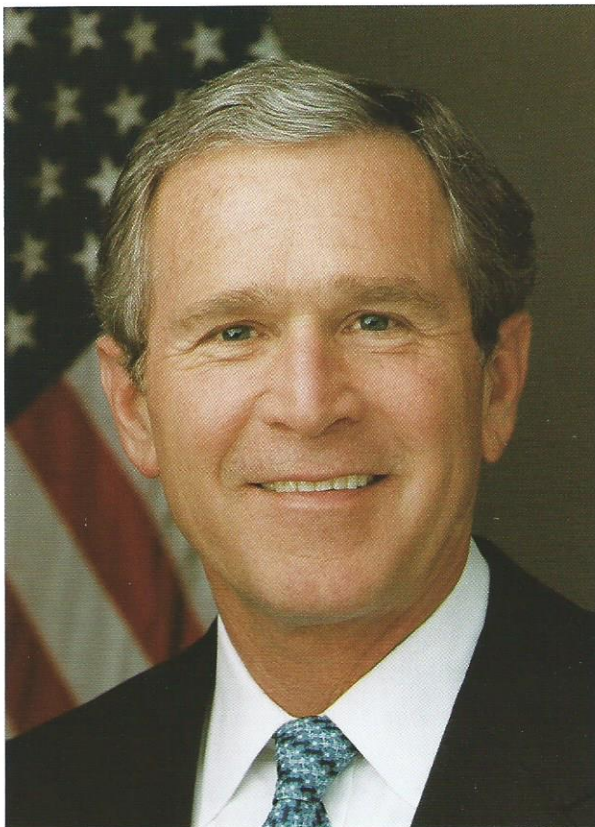

Your courage and determination will help you all your life, and I am pleased that you are working hard to learn how to talk. Be sure to thank your mom for all she does for you.

I have forwarded your letter to the Department of Education. They will be in touch with you and your mother directly about your question.

President Bush joins me in sending best wishes. Have a great summer!

With best wishes,

*Laura Bush*
